### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

a. In claim 3, lines 1-3, "wherein the spacer includes a spacer rear body and a spacer front body to be connected to the spacer rear body," was deleted (this feature is now in claim 1; recite it again in claim 3 is a double inclusion).

b. In claim 4, line 8, "a cylindrical portion" was changed to: --said cylindrical portion--, as claim 4 now depends from claim 1, where the cylindrical portion is already recited,

c. In claim 4, lines 9-10, "wherein the diameter of the cylindrical portion is smaller than the inner diameter of the hole in the fabric sheet," was deleted, as this is already recited in claim 1 from which claim 4 now depends.

d. In claim 4, line 10 "a flange" was changed to: --said flange--, as claim 1 already recites the flange.
